Equipment Pick-up

Customers with their own trucks can pick up equipment after 3:30 PM in Sylmar, any earlier pickups are considered a full rental day and will be billed accordingly. Equipment must be returned to Sylmar location by 10:00AM, or the return day is chargeable.

Deliveries outside the Los Angeles Metropolitan zone: truck rental, mileage, and driver's time will be computed, portal-to-portal. Pickups & deliveries not within normal business hours will be charged at overtime as necessary.

Tech Rates

Sometimes it's required to hire a driver/tech to deliver and operate the Head and certain Cranes.

Crane-Only Tech/ Delivery rate **\$770.00/10hrs**
(\$70/hr)

Based on local 80 IATSE Contract. Overtime is calculated = [2hrs@1.5x](#), remaining hours @ 2x. Per diem, forced calls, mileage all apply as per IATSE contract.

Our Techs are experienced Local 80 grips and will make every attempt work as an extra grip when crane is idle!
Please remember that the Tech is Portal-to-Portal- starts and ends when the Crane is picked-up & dropped-off at the yard!

Crane/Remote Head Tech/ Delivery rate **\$770.00/10hrs**
(\$70/hr)

Based on local 600 IATSE Contract. Overtime is calculated = [2hrs@1.5x](#), remaining hours @ 2x. Per diem, forced calls, mileage all apply as per IATSE contract.

Our Techs are not only Local600, but also experienced Local 80 grips and will work as an extra grip when crane is idle!

Please remember that the Tech is Portal-to-Portal- starts and ends when the Crane is picked-up & dropped-off at the yard!
